

Project Piaba Rio Negro Expedition

January 23—February 2, 2013

Join the Project Piaba team on an expedition to the Rio Negro

Project Piaba is established to foster an environmentally and socially beneficial ornamental fish trade.

Join us on our annual group expedition to explore the Rio Negro and observe all aspects of the ornamental fishery.

Highlights

- ◆ 2 weeks on a well appointed live-aboard boat
- ◆ Visit biological hotspots
- ◆ Expert, English speaking guides
- ◆ Visit fishing communities
- ◆ Participate in the Ornamental Fish Festival of Barcelos
- ◆ Visit ornamental fish export facilities
