

The Tropical Fish Club of Burlington Celebrates 25 Years!

Friday Bar-B-Que at the Banks

315 US Route 2
Grand Isle, VT 05458

You're Invited!

To kick-off the celebration, there will be a bar-b-que for all at the home of David & Janine Banks in Grand Isle. They reside on the shores of Lake Champlain so you can observe the native fish and shoreline, swim, row, float and generally have a beachy afternoon as well as get fed! Wind permitting there will be a bonfire.

Please bring your own beverages and a side dish to share (if you are able). The club will supply meat, rolls and condiments and paper products and our club members will bring Pot Luck side dishes for everyone's enjoyment.

Please bring a folding chair or blanket, swimwear if desired and warm clothes for after dark as early summer evenings can get pretty cool in Vermont!

Please Carpool as parking is limited!
