From the Spirit of Ethan Allen website www.soea.com: Lake Champlain is the largest freshwater lake in the U.S. after the five Great Lakes, and is one of Vermont's most sought after destinations. The best way to enjoy the lake is with our Vermont lake cruises aboard the 363 passenger Spirit of Ethan Allen III. Discover the region's rich history, as the Captain's narration unfolds tales of Indian lore, the Revolutionary War, and Ethan Allen himself. Explore the depths of the shoreline as the ship cruises alongside the lake's unique geographic formations. Savor the majestic beauty of the Adirondack and Green Mountain ranges that surround the lake. Bring your cameras—the largest recorded mass sighting of Champ, our elusive lake monster, was aboard the Spirit of Ethan Allen I.
